Our mission

Welcome to the Crew Welfare Center!

We are an initiative started by several ship chandlers in the port of Rotterdam, who work together to take care of the crew needs. Combined we can deliver better and services for better prices, to make your life at sea more comfortable. We are working hard to open a Seamen's club in Rotterdam (now Botlek stores is out of business), to give crew an affordable place to go to again.

Items delivery

In this folder you will find items that are frequently ordered by other crew members. Are you looking for an item that is not mentioned in this folder? No problem! Send your shopping list by email to rotterdam@crew-welfare-center.com, by Whatsapp to +31 (0) 6 23 117 633 or by Facebook Messenger on our Facebook page.

We have no minimum order amount, but there are extra charges for small orders:

- **Orders below \$100 are subject to a \$70 delivery charge.**
- **Orders below \$250 are subject to a \$35 delivery charge.**
- **Orders of \$250 and up, no delivery charge.**

If ordered before 15:00 hrs on weekdays, we can deliver most items still on the same day. It is recommended to place your order before vessels arrival, to make sure you get your order.

Payment policy: payment is only done upon delivery! Payments are possible in euro or US dollar by cash or card against a valid invoice. When ordering adult items or trips to the ladies, we can change the item description for your discretion.

Vessel needs: need anything for the ships needs? We have a wide network for ship spares, tools or special items. Payment on delivery still applies (and a valid invoice will be supplied), we do not deliver on credit/account.

So if you require anything, please contact us!

Phone / computer repair

Do you have a cracked screen, dead battery or other damage to your phone or laptop? Sometimes it's cheaper to fix than to buy new.

We can help you out!

There are plenty of repair shops in the city that can repair your broken electronics within 24 hours. Batteries, screens, charging ports... all is possible.

This is how it works:

1. Send us a list with items you wish to have repaired (all crew together on 1 list), your vessels name, ETA and ETD.
2. We send the list to our repair shops with a request for quotation.
3. After receiving the quotation, we will forward it to you.
4. You either accept or decline.
5. After acceptance, we will collect the electronics on the next morning. We give you a receipt for your device, with all terms and conditions.
6. Then we will bring it to the shop for repairs and keep you updated about the time we return your device to you.
7. When returned to you on the vessel, we take the payment either by card or cash.

Tip: the more items you send, the cheaper the repairs get! Repair often give us a discount when we bring in multiple items.

Get \$15 per item discount when ordering over \$250 on items!

Trips to the ladies of pleasure:

How it works: you give us 2 hours notice and tell us how many want to go on the trip. Max 4 people at the time. Then we call around to see where the most and best ladies are at that moment and make an appointment. We will come and pick you up from the vessel and drive to the brothel or club. We walk you in, pay the lady (they only except euro) for her time and wait for you outside to bring you back. This is all included in the packages.

Brothel visit: 1 crew: \$185, 2 crew: \$280, 3 crew: \$370, 4 crew: \$460

A Brothel is not the same as it is anywhere else in the world. You first enter the lounge, where you will meet the available ladies. They introduce themselves and then you may choose. The lady will come back and take you to a room for either 30 minutes / 45 minutes or 1 hour of "pleasure". The rooms are nice, clean and sometimes there is a jacuzzi in the room. One of our drivers will bring you to the house and back to the vessel again, a happier man.

The costs include transportation and 30 minutes of pleasure with a lady. Do you want a longer visit? Each 15 minutes cost \$45,00.

Club visit: 1 crew: \$230, 2 crew: \$300, 3 crew: \$370, 4 crew: \$440

This is the VIP visit. We will bring you to a club with sauna, swimming pool and a bar with unlimited drinks As you enjoy a drink and some food, ladies will be around. If you like one of the ladies... ask her to a room. What happens next, stays at the club.

This package includes the following:

- Transport to and from the club.
- Entrance free
- Unlimited drinks (beer, wine and soft drinks) and snacks
- Use of the pool and sauna (bathing suit and towels available free of charge)
- Free wifi

Trips to the club are scheduled daily, with first pick up (from vessel) at 16:00 hrs and latest return at midnight. **Having a great time and want to return after midnight? No problem! In that case there will be an extra \$50,00 charge for late returns.**

Get \$10 per crew discount when ordering over \$250 on items!

Food services:

Do you have a craving for something from shore? Like McDonalds, Burger King, KFC, Dunkin Donuts or Dominos Pizza? We deliver food as well! Charges for this services are \$30 per restaurant with a minimum order amount of \$100

So for example:

- You order Mcdonalds, Burger King and KFC: delivery charge is \$90.
- You order McDonalds and KFC: delivery charge is \$60

So here are some prices which we can offer:

Restaurant	Item	Price per item
McDonalds	Big Mac burger (+\$5 for menu)	\$10,00
McDonalds	McChicken burger (+\$5 for menu)	\$10,00
McDonalds	Chicken nuggets (per 6 pcs)	\$8,00
McDonalds	McKroket (only available in NL)	\$8,00
Burger King	Whopper burger (+\$5 for menu)	\$10,00
Burger King	Long Chicken burger (+\$5 for menu)	\$10,00
Burger King	Onion rings / Chili Cheese nuggets (per 4 pcs)	\$8,00
KFC	Zinger burger / Twister wrap (+\$5 for menu)	\$12,00
KFC	Hot wings (per 3 pcs)	\$8,00
KFC	Fried chicken (per 3 pcs)	\$8,00
Domino's	Per medium pizza	\$20,00
Domino's	Per large pizza	\$25,00
Dunkin Donuts	Assorted donuts (per 6 pcs)	\$28,00

We deliver between 12:00 and 21:00 on board against cash USD payment. There is a standard 1,5 hour notice for deliveries.

Get 50% discount on the delivery charges when ordering over \$250 on items!

Ride services:

If you do have time to go ashore during a longer port call, there are always taxi's we can order or we can send our delivery driver. **The delivery driver is of course subject to availability and can only take you with him when he is delivering to your good vessel.** To go back to the vessel the delivery driver is not always available, so please always check with him when he drives you to the city (otherwise you can use a city taxi to go back). Please note taxis only accept euro cash payments or creditcards.

Here are some tariffs for a transfer to / from city center (one way):

Vessel berth area	Costs for transfer by delivery driver	Costs for transfer by taxi:
Maasvlakte	\$60 / €55	€ 180,00
Europoort	\$50 / €45	€ 120,00
Botlek	\$40 / €35	€ 100,00
Pernis	\$40 / €35	€ 90,00
Vlaardingen	\$40 / €35	€ 70,00
Schiedam	\$30 / €25	€ 60,00
Dordrecht	\$50 / €45	€ 150,00
Moerdijk	\$60 / €55	€ 170,00

Drop off is in the middle of the city center with all the shops and restaurants close-by. The shops close at 18:00 except on Friday, then they close at 21:00 hrs. Restaurants kitchens close at 21:00, but fastfood places are open till midnight. Most stores accept creditcards (Visa and MasterCard only) or cash payments in euros. The delivery driver can exchange dollars to euros in the car.

Note: it is not recommended to use Uber as a taxi, since the driver can only bring you as far as the gate. On most terminals it is not allowed to walk to the vessel, so you would have to order another taxi to bring you from the gate to the vessel (and that is expensive).

Cash for scrap:

In cooperation with local scrap dealers, we have arranged a deal for you to earn some extra cash for the welfare fund!

How? Easy! If you have any old batteries or scrap on board, our partner will pick up the scrap and we will give you USD cash in return. You can also use the cash to use as credit on an order placed with us and get a discount on the total order.

Batteries
Up to \$0,18 per kg

Scrap
Up to \$0,16 per kg

Email us on: rotterdam@crew-welfare-center.com

Or

Message us on Whatsapp on: +31 6 23 117 633

Send us the weight, dimensions and some pictures and we will come back to you with the best price for your scrap and old batteries!

Read the full procedure on the next page!

We need to follow the following procedure (also to avoid customs issues):

- 1. Please send us a detailed inventory with photos and your best estimated weight for each item.**
- 2. We will send out this inventory to a wide selection of scrap collectors, and revert to you with their best offer.**
- 3. Once you are OK with the price, we ask you to send a message to your agent, that you would need to land these items on the provision barge. The agent will instruct the barge to take the items back to shore, so the barge is covered by the owners.**
- 4. When you receive the confirmation from agents and barge company that it is OK to land the scrap, we will inform them that we will collect from their premises.**
- 5. Please prepare the scrap on pallets and wrap it up with plastic if there are greasy items. Barge captains will often refuse to take the scrap if the grease will mess up the boat or will refuse to take it if they have to wait for a long time when it's not prepared.**
- 6. Once berthed, we will come on board before you deliver the scrap to the barge. We trust of course that you will land it accordingly. There will be a receipt with the cash, so you can proof the origin of the cash to your company.**

Coming soon

We are working hard on expanding and providing new services for seafarers. At the moment we are working on the following:

1. Barbers on board:

Feeling good starts by looking good. Looking good starts with a good haircut. Our barbers come on board to give you that fresh hair cut! Let us know if you are interested and we will make it happen.

2. Cabin improvement:

Your cabin is your home on board for several months. To make it as comfortable as possible, we have a special program for renovating your cabin. Carpet, furniture, bedding, curtains, anything is possible. We have a standard price list and explanation for you to send to the ship owner and give your cabin (or mess room) a good refresher.

3. The Center:

We are working and building hard to build the actual Crew Welfare Center. The Center will feature a bar, a shop and several amenities for your entertainment. Meet other crew for a drink or a game of pool in our bar, shop some items straight from the store or take a trip to the city/ladies.

4. City tours:

We know all the good places in the city and are happy to share them! We pick you up from the ship and drop you off at the start of a self guided tour. We have a food/shopping/sightseeing tour on paper or Google Maps download for you. After 3 hours we pick you up from the end point of the tour again and bring you back to your ship or The Center.

Are you missing any service or do you have any suggestions? Reach out to us!
