

## Crew Welfare Center – Survey

Welcome to the Crew Welfare Center!

We continuously try to improve and offer new services, to help you as crew be as comfortable as possible on board.

Therefore, we ask you to fill in this form, to help us better understand your needs on board. With this information, we develop new services and take more items in stock that you require (this way we can always deliver on board quickly).

**When you return this (filled in) folder to us, you will receive a coupon for free donuts for the entire crew with your next order.**

Many thanks for your efforts and hope to see you on board!
